Each family will be assigned a cleaning responsibility, such as a classroom. This should take no more than 30 minutes to complete at the end of the day.

All children must remain in their class or with their parent.

Parents must remain in designated parent area, unless assigned a specific leadership/teaching role.

Each family is asked to commit to attending. We understand absences for illness or family emergencies, but otherwise request that you attend all weeks of the semester. Please notify leadership if you are unable to attend through Band.
